Our Hotel Establishments Honoured!

Québec, February 2, 2012 – Québec City Tourism is pleased that several Québec hotels are being praised by travellers.

Trip Advisor just published its *Travelers' Choice Hotel List* for Canada in 2012, and we were happy to see five Québec City Tourism hotels featured prominently on the list.

Among the top ten

According to travelers who posted comments on Trip Advisor, Auberge Le Vincent ranked 2nd best hotel in Canada. In 2011, it earned the title of 22nd best hotel in the world. As for Hotel PUR, it is the 4th trendiest hotel in Canada. In the Luxury Hotels in Canada category, Auberge Saint-Antoine ranked 9th and the Fairmont Le Château Frontenac came in 10th.

Establishments were also qualified for the service they offer. Auberge Le Vincent won the gold award for Best Service in Canada, and Hôtel le Germain-Dominion came in 6th.

Congratulations to these illustrious establishments!
